STATOTHR

STATOTHR Dear

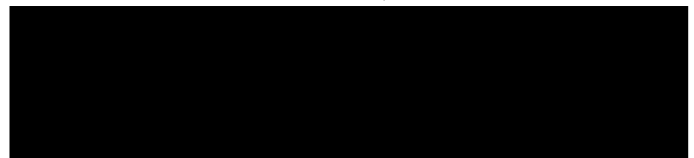

I enjoyed meeting you during our recruiting visit to your university last October. We are all looking forward to receiving the PHS forms, so that the decision on processing can be made and the necessary action can begin.

Meanwhile, to give you a better idea of one aspect of economic research performed by this Agency, you will find enclosed a copy of Mr. Dulles' recent testimony to the Subcommittee on Economic Statistics of the Joint Economic Committee.

This presentation not only embodies our latest thinking on the subject of U.S. vs. Soviet economic growth, but also clearly shows the intimate relation between intelligence and policy.

Once again, I urge you to complete the PHS forms as a matter of some priority.

Sincerely yours,

Enclosure:

Statement by Mr. Dulles to  
the Joint Economic Committee
